

Tuesday Night Ladies League

2010 Welcome Letter

Welcome to the 2010 Tuesday Night, 9-Hole Ladies League!

We are looking forward to our upcoming season and have some fun things planned for our weekly outings! Our league will take place on Tuesday afternoons with tee times from approximately 4:16 to 6:30 PM. We will be starting April 27th and running through August 24th.

Shotgun Start at 5PM on April 27th!

Then please stay for dinner and our first meeting right after our round of golf. If you are unable to golf that night, we invite you to come for the meeting and dinner about 7:30 PM. If you are unable to attend, please contact Linda, or any officer, and we'll be glad to answer any questions. Attached you will find the list of weekly and special events.

During the season, sign-up sheets will be posted two weeks in advance. The Pro Shop requires a 24-hour cancellation notice for league tee times! You will be charged full green fees for any tee time cancelled in less than 24 hours! Only the golf course can cancel play due to bad weather. Please contact the Pro Shop to see if play has been called when the weather is questionable.

Players should check in at the Pro Shop each week before golfing. Any information regarding that evening's event or upcoming events will be provided to you when you check in. Weekly green fees should be paid to the Pro Shop.

Each week players will be able to participate in an event to win Pro Shop Gift Certificates. Winners can collect their certificates from the Pro Shop. Weekly winners will be posted on the bulletin board and by email.

We will also have the weekly dollar events. If you choose to participate give the Pro Shop \$1.00 before play begins. Winners will be paid the following week.

We will be playing all three courses on an alternating basis. Please be aware of your pace of play. Ready golf is very helpful to stay on pace! Members will need to participate in at least 3 of the 5 designated Club Championship events to be eligible for the Club Championship. The average score of your best three Championship rounds will determine the winners.

League fees will be \$50.00 per player. These fees will provide for weekly event awards, end of the year awards, and special events. League fees must be paid with your registration. Each league member must also purchase a Fox Hollow Patron Card (half the regular rate) and pay handicap fees to Fox Hollow. Patron and Handicap fees must be paid at the Pro Shop on or before our first night of golf!

You're Invited! Fox Hollow Golf Club Open House **April 3rd, 10am-2pm**
